DESKTOP BACK BOX FOR VANDAL RESISTANT SPEAKER WITH CALL BUTTON

DESCRIPTION

The CHASE SECURITY SYSTEMS DESKTOP BACK BOX has been designed for use with the Bogen Model # VRS1 Speaker with Call Box to bring the convenience of a desktop call station / speaker system to office environments. This unit is supplied with an attractive stainless steel face and finished in standard black polyester or a variety of other custom finishes to compliment it's environment.

For over 30 years Chase Security products have been manufactured in a variety of sizes, styles and finishes, and sold to OEM accounts and distribution and installed by Government Institutions, Prisons, HUD, Projects, Universities, Hotels, Parks, Schools, Hospitals, and other public locations where both functionality and aesthetics count.

Back box featured with installed Bogen model VRS1 Speaker.

Shown in office for display purposes.
