CONTROL TOWER

*With Illuminated Logo*

### DESCRIPTION

The **CHASE SECURITY ILLUMINATED STEEL TOWER** has been designed to house cameras, intercoms, card readers, push buttons, and other electronic devices. Illuminated front panel logo enhances tower visibility and can be modified to suit any monochromatic logo, address or desired custom text. It is designed to be used in locations including: driveways, parking lots, port authorities, military bases, consulates, apartment complexes, prisons, and government and institutional facilities.

The steel tower provides strength and ease of installation and maintenance of equipment once installed. For over 30 years Chase security products have been manufactured in a variety of sizes, styles and finishes, and sold to OEM accounts and distribution and installed by Government Institutions, Prisons, HUD, Projects, Universities, Hotels, Parks, Schools, Hospitals, and other public locations where both functionality and aesthetics count.

**Can be used in a variety of outdoor applications.**
