

CTSW 1-553

HORN / STROBE LIGHT GUARD (1- Conduit Knockout)

DESCRIPTION

The CHASE SECURITY WIRE ENCLOSURE has been designed to protect thermostats, smoke detectors, horns, strobe lights and other devices against vandalism or accidental damage. It is designed for Prisons, HUD Projects, Universities, Hotels, Parks, Schools, Hospitals, and other public locations where both functionality and aesthetics count.

The wire enclosure provides for ease of installation and maintenance of equipment once installed. For over 30 years Chase wire products have been manufactured in a variety of sizes, styles and finishes, and sold to OEM accounts and distribution.

Can be used in a variety of applications.

FEATURES
